Care. Reliability. Life.

Care. Reliability. Life.

Care for us means to care for others, to feel, to understand, to share and to prevent. Our goal is to provide the best possible care for our fellowmen. We stand responsibly to the patient.

Reliability

VELKA Hellas SA was founded in 1970 as a Greek pharmaceutical company and in 1993 joined the **RAFARM SA Group**.

The Group's target, from its inception until today, remains the production of high quality pharmaceutical products providing access of all patients to appropriate treatment in affordable prices.

- Owns a contemporary vertically integrated **production unit of 14.000 sq.m.** in Peania.
- Has a **Sterile area of 1,200 sq.m.** for the production of specific pharmaceutical products.
- Employs workforce exceeding **400 people**.
- **Invests 6% of turnover** annually in research.
- Has active international presence by increasing **exports**.
- Collaborates with multinational companies and represents exclusively some of the most important pharmaceutical products of **SANDOZ** Pharmaceuticals dd.
